Highlights

Moulded ends
Moulded ends prevent fraying and extend the life of your cable.

A Male/A Female Connectors
Meet your specific connection requirements with A Male/A Female Connectors.

Eliminates tangles
The spring-loaded retractable device facilitates easy mobility when travelling by allowing you to select exactly the length of cable you need and storing the rest on an internal reel.

Lighted ends
Illuminated cable ends ensure that connectivity is established.

Retractable cable design
Retractable cable minimises cable tangling and is ideal for cable management. It also allows easy storage of the headphones when not in use.
